**KNOW  
THE  
RULES!**

## **Rules**

- Individual Event
- Dress Code: Participants are required to come dressed up according to the chosen theme.
- Date- 21st October 2023

# Judging criteria

1. **Theme Adherence:** How well does the outfit align with the chosen theme? Judges will consider if the costume effectively represents the theme.
2. **Creativity and Originality:** Judges will assess the uniqueness and inventiveness of the costume design. Is it imaginative and different from typical interpretations of the theme?
3. **Confidence on the Runway:** Participants will be evaluated on their poise and confidence while walking the runway. Judges will consider how well they carry themselves and present their outfits.
4. **Presentation and Style:** How well does the participant present the costume, including facial expressions, body language, and overall charisma? Judges will look for a sense of style and flair.
5. **Attention to Detail:** Judges will examine the small details of the costume, such as accessories, makeup, and hair, to see if they enhance the overall look.
6. **Audience Engagement:** How well does the participant connect with the audience? Judges may consider interactions, smiles, and gestures that engage the viewers.
7. **Overall Impression:** This category is subjective and allows judges to provide an overall assessment of the participant's performance and presentation.
